## A little bit about Boneo Park

Boneo Park, set amongst tranquil wetlands and just minutes from beaches and wineries, is home to some of the country's most aspiring dressage riders. The 800-acre property, located on Victoria's Mornington Peninsula, continues to strive to provide the best and most comprehensive facilities over the coming years to rival some of the best equestrian facilities in the Southern Hemisphere.

The facilities, designed by Luke Jones of C4 architects, have been described as state of the art, world class, and a must see for all competitive riders. All Boneo Park arenas have an imported "Soiltex" surface ensuring the best footing for your horse.

Boneo Park hosts regular clinics with international quality riders including Olympian Lone Joergensen from Denmark & Australian representatives Brett Parbery and Mary Hanna. We have been fortunate to establish a fantastic relationship with these riders and we conduct clinics with them regularly.
