

HOT AND WET WEATHER POLICY

Boneo Park has implemented a hot and wet weather policy to ensure that events are run with both horse and rider welfare in mind.

If the temperature is forecasted to be over 35°C the day before then the event will be cancelled at the discretion of the committee.

Likewise if severe wet weather is forecast then the event may be cancelled at the discretion of the committee.

Riders are asked to listen to the weather forecast and keep an eye on our website, www.boneopark.com.au, for updated information regarding the status of the competition.

As per the Refund Policy in the Equestrian Victoria Dressage Handbook, **“the refund will be 50% of the total entry and facility fees to cover event costs. The refund policy applies to any event that is cancelled regardless of the reason. Refunds for cancelled events will be issued automatically by the organizing committee.”**
