PRESS RELEASE - January 14 2011

Boneo Park Equestrian is pleased to announce the inaugural Boneo Park CDI 3* to be held Thursday March 17 to Saturday March 19 2011.

Boneo Park is situated on the beautiful Mornington Peninsula between Rosebud and Cape Schanck. This premier tourist destination offers excellent accommodation, restaurants, wineries, beaches, galleries and golf courses, making it the perfect weekend away for the whole family

The event timetable will be as follows:

Thursday 17th Prix St Georges, Grand Prix, 4 and 6 year old Young Horses

Friday 18th Intermediate I, Grand Prix Special, 5 year old Young Horses

Saturday 19th Inter I Freestyle, Grand Prix Freestyle and Novice Championship

As a first, the FEI has permitted Grand Prix Riders to ride all 3 tests. This makes for an exciting competition with overall champions decided by combining results from all test ridden at their level of competition. There will be championships for the Big tour (Grand Prix level), Small tour (Prix St Georges level) and Novice tests. Contact Sicca van Schaardenburg on 0418 524 343 or Email: sicca@boneopark.com.au for further competition details.

Members of the Ground Jury are Olympic Judge Minako Furuoko from Japan, Annette Fransen-Jacobaeus from Sweden, Alison King from Hong Kong and Susie Hoevenaars and Ricky McMillan from Australia. This makes for a true international event.
